

(Agent responds to "Long time agent ponders life at American Family 2/26/11)

Definitely one who has "eyes" open...knows they are caught in a guillotine and just waiting for the axe to fall. Another "good" one looking at an unfair end of one's hard-working, give-it-all-you-got career. A brave, unappreciated agent...nicely done...we applaud you! So sad and AF will some day pay the price it will come!
