

I received the NAAFA Spring 2009 report today at my office - a couple of things popped into my mind -

- 1. I am not sure how you got my address, I'm glad you did though!**
- 2. I am no longer an Amfam agent as I was "terminated" in ___ 2005 after a 10 yr career - IT WAS ONE OF THE BEST THINGS TO EVER HAPPEN TO ME!!!!**
- 3. I have thanked my former dm many times for forcing me out of Amfam & into a REALLY GREAT career as an Independent**
- 4. the only regret is that they, my dm, waited so long, after 5 or 7 yrs would have been better!!!**
- 5. It's kind of sad to read about the stuff you guys still have to put with & it sounds like its getting worse -**
- 6. I also regret I was not part of NAAFA, I did not think that Amfam was capable of the "hell" they put me through, even though you warned me in the NAAFA reports - but in this case I am glad they did!!!**

I really hope for you guys to succeed, I met a lot of really nice people in the Amfam network & still maintain connected with several agents. But I would NOT trade places with them for ANY reason.

Best of luck in the future & feel free to continue sending me the reports!!!
